found in the specification as originally filed as follows.

Support for amended claim 1 may be found in the specification at page 8, lines 19-23.

The changes to amended claims 7, 8, 9, 10, 16, 17, 18, 23, 24, 28, 29, 30, 31, 32, 38, 39, 40, 42 involve merely a typographical error and does not involve new matter.

Support for amended claim 19 may be found in the specification at page 9, lines 9-11 and 16-19.

Support for amended claim 37 may be found in claim 35.

Support for amended claim 41 may be found in the specification at page 23, lines 8-9 and originally filed claim 41.

Support for new claim 78 may be found in the specification at page 22, lines 23-28.

The changes to the claims do not involve new matter and applicants respectfully request entry of them.

In view of the preceding amendments and the remarks which follow, applicants respectfully request that the Patent Office enter the amendments to the claims.

Because of the amendments and cancellation of claims, applicants request that the Patent Office reconsider and withdraw the various grounds for objection and rejection set forth in the July 12, 1993 Office Action and earnestly solicit allowance of the claims now being examined.
